Education at least receives in Japan fully as much, if not more, consideration than is accorded to it by countries claiming to be far in advance of her in the prize of civilization. — *Japan Gazette*.

The prisoner pleaded guilty and said—it is very hard work that the prisoners have to do out of the goal, and when we return from work out-

His Lordship delivered an exhaustive

where the robbery took place, that they were the only men who knew the ins and outs of the building so well as the robbers must have done. That some clothes of theirs were found near the

and. The letter was written to him in French by the commander of the Dryad, which contained an expression at which exception had been taken. Mr. Shaw, an English missionary, was imprisoned on board.

Rate—The hours of rain for the periods 16 hours (noon to midnight) and 24 hours (midnight to noon) are required from 1 to 34, and the quantity of water (in inches) is shown for 1 to 10 days.
